Help a child experience camp:

As a not-for-profit, charitable organization, our mission is to promote stewardship of our natural and human communities. We accomplish this through our unique outdoor education, summer camp and environmental programming. **All proceeds from the Green-in-Motion Fundraiser will be directed towards our sponsorship fund.** Each year, with your help, we send deserving children who otherwise could not afford camp fees, the opportunity to participate in the magic of a summer camp or outdoor education visit.

- Raise \$150 and you've helped one student attend our Outdoor Education Centre for 2½ days.
- Raise \$500 or more and you've helped to send a child to summer camp for one week.
