

Camp Kawartha ...

building teams for
over 25 years.

Can your team build the tallest free standing structure, navigate the marble maze or solve the mystery of the electric grid? All of our activities are designed to be fun, engaging and thought provoking. You'll see your team in a new way and you'll discover skills you never thought you had.

Dear Jacob,

The team building day you ran for our project team was truly fantastic!!! The feedback from all participants has been excellent. Very special thanks to the instructors, kitchen team and certainly to yourself for organizing this event!

With all of us coming from the various functions of our organization it was great to experience how we grew from a group of individuals to a team with every activity throughout the day. From simple tasks highlighting ways of effective communication to trust activities on the ropes - you had it all and tailored it perfectly to our needs.

Getting to know each other outside every day corporate life, sharing adventures, and challenging ourselves in the many different ways available at Camp Kawartha and the Kawartha Outdoor Education Centre has provided us with a better understanding of the individuals we are working with and will surely help us throughout our project.

Thank you for this wonderful experience!
