Help a child experience camp:

As a not-for-profit, charitable organization, our mission is to promote stewardship of our natural and human communities. We accomplish this through our unique outdoor education, summer camp and environmental programming. All proceeds from the Green in Motion Event will be directed towards our sponsorship fund. Each year, with your help, we send deserving children who otherwise could not afford camp fees, the opportunity to participate in the magic of a summer camp or outdoor education visit.

- Raise \$150 and you’ve helped one student attend our Outdoor Education Centre for 2½ days.
- Raise over \$500 and you’ve helped one camper to attend our summer camp for one week.
