

Appendix C: Cabin Groups

- Use only the number of cabins necessary to accommodate your group size. Please inform our staff of any cabin changes
- Please ensure cabins are as full as possible, to prevent unnecessary use of heat and electricity. The more cabins used, the more electricity, heat and cleaning time required which increases our costs, and will ultimately increase our rates.
- We recommend assigning an adult supervisor in each cabin.
- No food or snacks in cabins.

Group A (cabins located to left of dining hall, total capacity of 56 people)
