

Algonquin Tea Company www.algonquintea.com

Thank you for your tea!

Farmers' Names:

Kim, Chantal, Steven, Caitlin, Jimmy, Wes

Years in Operation:

16 years

Specialty Foods:

Wild craft herbs in the bush, using ethical standards, so as to protect the planet.

Favourite Recipe with your harvest:

Sacred Blend- pine needle, sweetgrass and sage (tastes the way Algonquin Park smells)

Favourite Music:

Mostly African , like Senegal Fast Food (Amadou & Mariam) or soft like Jai Uttal (chanting)

Favourite Pastime:

Just floating on our backs in the river counting clouds, or not, if that is too much work!

Fun Tea Fact:

"Lucid Dream is harvested by canoe and the plant can help you dream with other people, especially useful if you are working on a problem together. To dream with others you need to be in the same room sleeping and talk about it in the morning after you journal some images. You will discover lots of similar images and can then sort out what it means! FUN! "
