CABIN MATE REQUEST (overnight campers):

Cabins are assigned by gender & age/grade. We cannot guarantee cabin placement, but we will do our best to honor your request. We are a small camp with cabins clustered close to each other. Campers will have lots of opportunities to see their friends and siblings throughout the day and participate in activities together. **Remember that making new friends is one of the best parts of camp!!!**

Note:

- **Limit of ONE cabin mate request per camper - requests must be made in pairs NOT groups. We cannot guarantee multiple requests.** If you have more than one friend coming, request each other in pairs. We reserve the right to split groups of campers to avoid groups dominating cabins and excluding new campers.
- **Both campers must be the same age / same grade – we aim to keep each cabin within a 1-year age range**
- **Both campers must indicate each other on their registration form making it a mutual request.** If you forget to make a cabin request, you may do so **in writing by mail or email** no later than two weeks prior to camp. **We cannot guarantee one-sided requests.**
